Thank you for your support of a project that will be an asset to this growing and changing community. All letters of support should be addressed to Jackie Cornish (address below) and please give all letters of support to St. Francis (Sarah or Tom). We will be sending the letters as part of a larger application that will go to Baltimore Department of Housing. It would be an asset if each community group could attach a "petition" list, with names of members who support the efforts with their addresses, to the support letter.

Please address letters of support to:

Jackie Cornish
Deputy Commissioner for
Neighborhood Development
417 Fayette St., 13th Floor
Baltimore, MD 21202

Again thanks you for your support and effort.

Fr. Tom Composto

Sarah Taylor
